NEW

- Magic Tarnish Remover -

You can use this product to instantly remove tarnish from jewelry and flatware. Good on any silver, gold or copper based metals. Just dip and rinse in water. No rubbing necessary. 16 oz. bottle.

T-840....\$5.42 ea.

- Magic "Flame" Soldering Compound -

This is a 4-in-1 paste soldering compound that works for all non-ferrous metals.

- As a Dip. Mix with denatured alcohol as you normally would with boric acid to create a super fire coat.
- As a flux. Mix 1 to 1 with water and you have a cold & super flux.
 - As a paste. Use full strength and it is a superior paste flux.
 - Use full strength and it's a casting flux. 8 oz. jar.

T-841....\$9.55 ea.

- Magic Pickle Compound -

Dry granular compound for pickling gold and silver. Removes oxidation and cleans fire scale while preserving the metal. Add 1 tablespoon to your pickle pot. For use with copper tweezers. 24 oz. jar.

T-842....\$6.83 ea.

Magic Boric Acid Powder

This is a high grade super fine powder. Mix with denatured alcohol for an excellent deoxidizing agent and dip. 16 oz. jar.

T-843....\$6.49 ea.

Magic Borax Granular

Dissolves to form a paste flux for soldering. Used to control oxidation on metal surfaces and to enhance solder flow. Excellent for glazing clay crucibles to help extend crucible life. 16 oz. jar.

T-844....\$4.99 ea.

Magic Steam Clean

This super concentrated steam cleaner additive stops scale buildup and rust inside your steamer. Add one cap full each time you fill your steamer. It is a good idea to drain and flush your steamer once a month. 16 oz. bottle.

T-845....\$5.19 ea.

NEW

Magic Luster

Magic Luster industrial strength super concentrate is a major breakthrough in liquid ultrasonic cleaners! It is a fast and long lasting super concentrate that cuts through rouge and tripoli in seconds. This concentrate is a 40 to 1 mix so the 1 gallon container will make 40 gallons of solution by adding water. You get 4 times the solution for about the same price as the 10 to 1 concentrates on the market. Biodegradable and non-ammoniated.

Sold by the gallon.

T-839....\$12.56 ea.

32 oz. Magic Green Concentrated Ultrasonic Soap

Strong, fast working solution that removes compounds and other oils with ease. A 32oz. container can make up to 32 gallons of soap.

Non-toxic and non-hazardous.

T-549 32 oz. \$13.46

T-549-10 10 lb. \$63.29

10 Stone CZ Master Sets

These sets give you the ability to easily color grade diamonds. Each stone is expertly graded to master diamond color standards using the standard GIA grading scale. To easily identify the color grade and to help re-sort the stones, the individual color is laser inscribed on the table for easy viewing with a 10x loupe.

- The largest range of reference available: E, F, G, H, I, JK, L, M, and N comparison stones.
- Simulated white and yellow gold tiffany stone holding display ring for comparing mounted stones included.
 - Protective carrying pouch.
- Manufacturer's limited lifetime warranty against color change.
 - Made in the USA. • Patents pending.

T-837 1 carat stones \$298.99 ea.
T-838 1/2 carat stones \$228.99 ea.

Majic Drain

This effective and affordable drain trap makes it easy to clean and retrieve articles which would normally be lost forever. The see-thru trap save stones, rings, bits of gold and other small items that may accidentally be washed down the drain. The snap-off filter is easily removed so you can retrieve the item at that moment. It is easily installed and fits 1 1/2" or 1 1/4" drain pipes. Since it is all plastic, rust and corrosion are never an issue. Easy to install directions and all the necessary hardware are included.

T-786....\$8.79 ea.

Adapter Mandrels

These mandrels fit on a tapered spindle and can be used with any 1/8" hole mini brush. This enables the user to run small brushes with a large motor.

T-787 White-Right Hand \$4.65 ea.
T-788 Black-Left Hand \$4.65 ea.

Round Compartment Trays

These handy trays have sliding lids, which enable the user to open one compartment at a time. Keeps small parts from spilling or mixing.

Comes in two sizes.

T-775 7.5" dia. 20 compartment \$5.25 ea.
T-776 3.5" dia. 12 compartment \$2.18 ea.

Beading Kit

This beading kit contains the essential tools for the beginning beader.

- Kit includes:
- Bead Board
 - # 5 Beading Tweezer
